### Scoring Inquiry:

Request for Redress – OCS

I, othman al hamadi, sail number [207895], hereby submit a request for redress regarding my classification as OCS in the race concerned.

I was recorded as OCS, meaning that I am considered to have been on the course side of the starting line at the starting signal. However, I contest this decision, as I am not certain that I was over the starting line at the moment of the start.

Therefore, I kindly request to review the start video, in order to objectively verify my position in relation to the starting line at the starting signal.

This request is made solely to ensure the accuracy and fairness of the decision and the resulting classification.
