Scoring Inquiry:

I was scored a BFD on the 2nd race and I should have gotten 24th position as I finished right behind yonosuke ogawa (SGP214779). Nia Zahedi (224245) was above me at the start and she did not get a BFD on the second race so I shouldn't have gotten the BFD.

Witnesses:

Yonosuke Ogawa and Ashlea Tham.

Response:

No scoring changed.
