### Scoring Inquiry:

There was a group of 7-8 going through the finish line. In my eyes and in coaches eyes (Roberto Gldenpenning) I was definitely in front of these group crossing the finish line near the mark leeward to the other boats. Right in front of me was Antoine Lacour from France (216641). So I was on position **24** Paul Porthun (GER 213241) was the last one of the group crossing the finish line on 29.

### Witnesses:

Fridjoff Hempel (213575) can witness that I were the whole race over right behind him on position 15. Antoine Lacour (216641) may witness that we were both on the left side on the last upwind losing places, but we went right in front of a group of 6 sailors coming from the right side through the finish line on position 23 and 24.
