### Scoring Inquiry:

Subject: Request for Redress – Race 4 (Incorrect DNC Classification)

Dear Race Committee,

I would like to request redress regarding Race 4.

The competitor Rosa [Bargatzki/Sail Number GER 12913if ] has been recorded as DNC (Did Not Come). However, according to the Metasail tracking data, she completed the race and finished in position 155 with a recorded time of 26:29:42.

For reference, the boat immediately ahead of her was LTU 700, and the boat immediately behind her was GER 13127, which further supports that she was present in the finishing sequence.

In light of this evidence, I kindly request that the DNC classification be removed and that her correct finishing position be reinstated and included in the overall results.

Thank you very much for your attention to this matter.

Kind regards,

Gerd Deuschinoff (Rosas father)

Please ignore my prior post as I put her in the caddetti class
