Scoring Inquiry:

Hey, 2 boats are registered as 228 in the dragon fleet. I have put in a change request form for 233 for Zinzan.

In Thursdays race green 228 did not compete, zinzan sailed under br788 on the water and were third.

Sir Ossid, Denis Bergin. Green; witness by non presence

Response:

Hi Declan, that was a registration error by one of the competitors and was corrected in the result system last week, so all should be OK. The 788 was not notified, hence the late result in the last race
