Competitor: 2 - 2 - 1 - Lucky Escape - Jonny Sargent

Scoring Inquiry:

Class band splits were told when entered the event will be ran of echo and hph certs if boats don't obtain an Irc cert therefore the event organisers decided for fairness they would decide the class splits via either echo or irc for band splits. We are now being told having finished racing that they bumped us up a class after initial entry put us into class 2 with warning. Therefore we sailed we sailed class 2 course.

Witnesses:

Phil Merry

Response:

The results team understanding is that Luck Escape was assigned (on Friday, after late entry) to Class 1 based on HPH of 1.024

The starting time limit is 10 minutes, so the 5 minute late start is valid and a finish will be awarded on this basis

The competitor may request further redress via a protest hearing
