Request No.: 38

Course:

Race No.: 1

Posted Score: OCS

Competitor: SB20 - Red Fleet Only - IRL 3807 - SeaBiscuit - Barry Glavin

Scoring Inquiry:

Hello, we were OCS in the race last Thursday, 18 June. We realised we were OCS, and turnaround and crossed the line. We eventually finished second. We were wondering if you didn't see us return or if your view is we didn't go back far enough. The crew of TED (3809) are happy to witness that we went back.

Appreciate if you could let me know.

Thanks, Barry

Witnesses:

Davy Taylor, TED IRL3809
