Scoring Inquiry:

There appears to be a glitch in the scoring that effects the postion of all yachts. Finish time makes sense, and corresponds with our obseravtions. FRA 40 was first to finish, Sassafrass and Bangalore finished a second apart, two minutes behind FRA 40. The rest of the fleet was behind them. The elapsed time and corrected time expressed in tetms of 7 days, hours ,minutes and seconds are non sensical. The placing of the yachts does not relate to the elapsed times and handicaps, nor to placing on observation of comparable times, finish order and handicap in multiple races. It is our belief that FRA 40 should have been placed first, not fifth.
