Scoring Inquiry:

Incident: Race 1 Start (Black Flag / RRS 30.4)

Hello - would you please review video recordings of the first start. My score for Race 1 is recorded as a BFD. However, I was positioned fully on the pre-start side of the line at the signal, using a clear land transit line sight, and believe my sail number 207163 may have been misidentified in a high-density pack. Through no fault of my own, my score has been made significantly worse. Thank you, Jacob.
