Scoring Inquiry:

The results for PHRF B Race 1 show Dani Girl Finishing more than 10 minute in front of Sam and Raptor II. Dani Girl finish shown as 14:32:56. Raptor II Finish 14:43:19. This would have put Dani Girl finishing before all but two boats in the PHRF A fleet - that did not happen. We think there was a typo and Dani Girl's finish time was more likely 14:42:56, They finished on Starboard and Raptor II finished on Port very close behind them. I am currently downloading a Go Pro Video and I think I can show how close behind we were! (And that they did not finish in front of PHRF A fleet boats) Heinz Butner/skipper/Raptor II
