### Scoring Inquiry:

request for redress results DAY 1

Several of my sailors are listed as DNC in the results, but have actually finished. What is the reason for this?

For our BEL1251 it is very bad. Because he finished first in series 3. in the Yellow fleet. I guess he is listed with the finishers of the blue fleet series 2?

He crossed the line first.

He also had a result in series 2 but is listed as DNC.

BEL1195 also has a DNC, but has indeed finished, it could be out of time, but then there should be a DNF, shouldn't it?
