Scoring Inquiry:

I finished in 10th position just behind USA 451 who was scored 9. From the time on my watch I finished inside the time limit, but I was scored DNF. If the time limit expired, in your decision could you include the time that the finish window closed, the time USA 451 crossed the finish line and the time CAN 447 crossed the finish line.

Response:

The first boat NZL 59 finished at 14:22:48. You finished at 14:27:58 which was 10 seconds outside the finishing window. We show USA 451 finishing just inside the window.
