Course: Start

Race No.: 1

Posted Score: Ret

Scoring Inquiry:

We were called OCS, which was incorrect. We were ocs at 30 seconds to go, but dipped back down

Witnesses:

Anthony O'Leary Irish Mist

Response:

The team on the Committee boat observed 3 boats OCS at the start and made the appropriate signals. The PRO subsequently announced the individual OCS boats. The team on the committee boat observed two boats returning and restarting but did not observe IRL17200 returning and restarting. The team marked in their tally sheets that IRL17200 was OCS but were subsequently advised that IRL17200 retired and marked the score for IRL17200 as RET for this race.
