#### **Scoring Inquiry:**

Yesterday in hearing request nb 09 I was asking to check the finishing video, because I was scored DNC, but I was in front of UKR 313, may be a couple of boats in front. In the updated results I'm scored right behind UKR 313, which is not exactly true, because I was in front (maybe a couple of boats).

Please check again the finishing video. Thank you.

#### **Response:**
