### Scoring Inquiry:

I finished in first place, but the results show that I placed 2nd. It says that boat number 66146 finished ahead of me, which is inaccurate. Boat number 214028 finished in second behind me.

### Response:

Corrected Score: 1

RC has checked the raw results and has confirmed that 66146 was erroneously finished in first place. This error has been rectified and all boats in Blue fleet Race #5 have been adjusted up by one.
