**Request No.: 01**

**Course:**

**Race No.: 3**

**Posted Score: DNF**

**Competitor: Waszp - 2305 - Alice Senior**

### **Scoring Inquiry:**

I should have a result for race 3, not DNF.

I crossed the finish line on race 3. The boat which finished in front of me was 2732. There were no other boats behind me. I believe the score should be 75.
