Scoring Inquiry:

I arrived exactly in front of norway 2128 that almost capsized in the gate tryng to jybe in front of me that i was arriving from the left. He crasched the bow in the water (without capsizing) but i was faster and passed beetween the buoy and him. Finishing in front. I m totally sure i did the regatta in front hungary, italy meotto etc. On the score i m 11!!!!!!! It is absolutely wrong!!!!

Witnesses:

Enzio savoini (he is sure that there were some boats between me and him that finished 12)
