Scoring Inquiry:

Witnesses:

I finished race 1 or 2 seconds after Bellum which does white as well but the bigger boats (I think he is a 33). As his nose of his boat just passed mine and he is a much bigger boat, I believe the judges did not see me come in. He finished 23 min and 33 sec so I must have finished 23 min 34 or 35 seconds. I was considered DNF. I did have 2 witnesses with me and the crew on Bellum would probably remember. Thanks, Eric
