#### **Scoring Inquiry:**

Hello, there was a mistake. We have finished the race first for the catamaran section. The boat STARZ was given our time of finishing, I have a picture of boats 11 and 14 of how they look like and a picture a couple of minutes after we passed the ship [finish line] of boat #11 behind us [you can see the difference of the window size]. The reason we were able to easily win the race was that we used code zero to sail through the wind coming in the back, while the boat STARZ did not. Therefore kindly petitioning the correction of the score.
