Scoring Inquiry:

ITA-57044 hit me on the port side since he was sailing on port and they haven't respect rule 10 of the SRR. It made me capsize. At this point I lost all my regatta becoming in position 85 at the end of it.

Witnesses:

I need a RDG to have a result in this regatta since I was doing everything ok and was following the rules that this championship must follow. I was penalized and it is fair to have what it is.
