**Course: White sail #3 May 31**

**Race No.: 2**

**Posted Score: 8**

**Competitor: Tanzer 22 - BYC 840 - Sorceress - Beverley Gilbertson**

### **Scoring Inquiry:**

I believe you are using the incorrect handicap .939, which is my spinnaker handicap. I see that Shelly Dorfman (2111) who finished after me and also a T22 has .914. #798 Jean-Luc Tachereau finished just before me. I used to sail spinnaker but with the pandemic I have sailed Whitesail.

### **Witnesses:**

Ben Waring - Sawiki

### **Response:**

My apologies, your white sail rating has been corrected (I also verified/updated all the ratings in the White Sail division). The race results have been rescored & republished.
