Posted Score: 8

Competitor: kite - A's - 95 - Leonardo Giovannelli

Scoring Inquiry:

In the first race everyone except marcel, luis houze and me didn't do the race correctly, they raced as if the corse was an X1 corse. After the first top mark everyone immediately went downwind without going to the second mark. The order of the results should be: marcel 1st, luis houze 2nd, and me 3rd, everyone else disqualified

Witnesses:

everyone
