Scoring Inquiry:

Hi I was the last one on arriving at the finish line on the q5 for women ..purple fleet. When I crossed the line , I went to the committee boat and asked if I finished on time and the finish flag was still up. The lady at the boat said yes by one minute before the finish time. This is said I had a dnc..is it possible to check the info?

Response Title:

Corrected Score: DNF

21 finished race 5 purple around 1 minute after the finish window expired
