Race No.: 6

Posted Score: 40

Competitor: Moth - FRA 4524 - Callum Wyper

Scoring Inquiry:

I am scored as finishing 40th in the second race of the day. In the second race I was further ahead than that remembering finishing next to a blue Exocet (GER 4636). I checked with him and he remembers the situation as I am in a bright red boat that is easily identified. FRA 4728 also remember me being in front of him by a handful of boats.

Witnesses:

GER 4636 FRA 4728
