Scoring Inquiry:

We don't understand why we have no score in Race 1 as we started and finished regularly? We broke something and went onshore after Race 1 to get it repaired. So we were a few minutes late for the Race 2 but also finished the Race.

Thanks for your feedback and to check what went wrong!

Response:

Corrected Score: 29

We have checked the scoring form, your result arrived in Race 1 in position nr. 29
