Received: 2023-07-22 17:06 CEST

Request No.: 73

Course: Silver fleet

Race No.: F6

Posted Score: DNC

Competitor: Waszp - Silver - 2860 - David Aubin

Scoring Inquiry:

I already introduced a claim about this DNC. If it is the second race of today, I passed the finish line over the time, but should be classified anyway. I passed the line on time for the two other races

Response:

We found you on the list but after the finishing window closed
