Race No.: Race 5

Scoring Inquiry:

I thought that scp is add two points instead of times two? I was 8 initially but you marked me as 16

Witnesses:

Nil

Response:

Do refer to SI - 14.4 for SCP point. 10% of DNF. DNF for race 5 is 82point. So SCP score is 8points. 8 points added to your race 5 8points equal to 16pts.
